GAIN REAL WORLD EXPERIENCE & BUILD YOUR RESUME WHILE SERVING IN SUNNY FLORIDA!

Right now engineers, teachers, librarians, college grads, and others are promoting positive sustainable development as AmeriCorps*VISTA members in communities across Florida.

YOU COULD BE NEXT!

Commit one year of your life to working as VISTA member in a Florida community while taking a break from school and part-time work.

Earn benefits like a living allowance, health insurance, and a $4,725 education award to apply to your tuition, student loans, or future grad studies. Applicants from out-of-state are eligible for a relocation allowance.

Learn to write grants, help start youth clubs, facilitate community organization, advocate for service-learning and so much more!

AmeriCorps*VISTA Positions Start August 21, 2006 in Tallahassee, Pensacola, Orlando, Miami, Tampa, St. Petersburg & Sarasota
